Charter Amendment to Limit City's Debt

22-117

Question 20 words

Shall the Albany City Charter be amended to further limit City Debt?

Summary 175 words

The current City Charter provides that, except by the consent of the voters, the City's voluntary floating indebtedness shall conform to state law. This citizen proposed initiative measure seeks to amend the City Charter to restrict the total debt of the City to the total debt which the City had as of February 28, 2012. Approval of the measure restricts the City's indebtedness to an amount less than allowed under state law. Under the proposed measure, no new debt or debt extensions would be allowed without the approval of a majority of electors in a primary, special or general election. The measure also provides that no debt shall exceed levels which are provided under state law.
