Question 20 words

Shall the Charter be amended to require a vote of the people prior to City borrowing?

Summary 175 words

This measure amends the City Charter in response to the vote on Measure 22-117 on March 12, 2013. That measure was not placed in the City Charter because it did not receive the required number of votes necessary, under the law, to be effective. Thereafter, the City in cooperation with the chief petitioner of Measure 22-117 agreed upon this proposed Charter amendment as a method to require a public vote prior to new City borrowing while minimizing unnecessary expenses and avoiding unintended consequences.

The measure will require voter approval of City borrowing with the exception of borrowing to finance local improvements allowed by ORS Chapter 223(Bancroft Bonding Act) or any similar, replacement statute; borrowing authorized by an Oregon State Statute; borrowing to address an emergency situation that poses an immediate risk of significant economic loss to the City or an immediate risk to health, life, or property; or borrowing to refinance an existing City borrowing for financial savings.

The following authorized city official hereby certifies the above ballot title is true and complete, which includes publication of notice and the completion of the ballot title challenge process.
