**CAPTION: (10 Words)**

Measure proposing a five-year operating local option tax levy.

**QUESTION: (20 Words)**

Shall North Albany Rural Fire Protection District impose \$.80 per \$1,000 of assessed value for five years beginning in 2006-2007? This measure may cause property taxes to increase more than three percent.

**SUMMARY: (175 Words)**

This measure may be passed only at an election with at least a 50 percent voter turnout. Financial resources have been rapidly depleting in the last couple of years due to an increase in the cost of fire protection services. Therefore, it is necessary to request a five-year operating local option tax levy of \$.80 per \$1,000 of assessed value for \$87,444.00 to finance the operations of the District beginning in 2006-2007; \$90,842 for 2007-2008; \$94,442 for 2008-2009; \$98,224 for 2009-2010; and \$102,153 for 2010-2011. This measure will establish a temporary operating tax to help finance the operations of North Albany Rural Fire Protection District. The operating tax rate will be in addition to the permanent rate limit of \$1.4071 per \$1,000 of assessed value. The estimated tax cost for this measure is an estimate only based on the best information available from the county assessor at the time of the estimate.
