SECRETARY OF STATE

PADDY J. McGUIRE
DEPUTY SECRETARY OF STATE

ELECTIONS DIVISION
JOHN LINDBACK
DIRECTOR
141 STATE CAPITOL
SALEM, OREGON 97310-0722
(503) 986-1518

Dear Oregonian,

I am excited to tell you about some of the improvements that we've been making to increase your confidence in a safe, reliable, and easy-to-navigate elections system.

Our toll-free voter information line at 1-866-ORE-VOTES (1-866-673-8683) or TTY service at 1-866-350-0596 is available every business day all year long from 8:00 am to 5:00 pm if you have any questions about your ballot or about voting.

Under the federal Help America Vote Act, we have implemented a new Centralized Voter Registration system that keeps our voter rolls clean and up-to-date, and we are working on ways to make voting more accessible for people with disabilities.

The federal law also imposes some new identification requirements. If you are registering to vote in Oregon for the first time, you must provide your Oregon Driver's License number, or if you do not have a Driver's License, then you must provide the last four digits of your Social Security number. If you do not have either a Driver's License or Social Security number and are registering by mail, then you may provide a copy of other forms of identification listed on the voter registration card.

If you have moved, or changed your name, you must fill out a new voter registration card, but you do not have to provide ID. Be sure to put your old information in the "updates" section at the bottom of the card.

Voter registration cards are available online at www.OregonVotes.org, from your local DMV or county elections office, or in this pamphlet. If you are registering for the first time, you must register by April 25 to participate in this election.

For those of you who are already registered to vote, please return your ballot so that it is received by May 16. Remember, the decisions you make with your ballot will affect all of our lives and the future of our state.

Best wishes,

A handwritten signature in black ink that reads 'Bill Bradbury'. The signature is fluid and cursive, with a long, sweeping underline.

Bill Bradbury
Oregon Secretary of State

General Information

Voters' Pamphlet

Your official 2006 Primary Election Voters' Pamphlet provides you with information about candidates that will appear on your ballot. There are no statewide measures on the 2006 Primary Election ballot.

In the primary election, candidates are divided into three sections: Democratic candidates, Republican candidates and nonpartisan candidates. Major political party candidates appear before nonpartisan candidates and every two years the order in which major political party candidates appear is rotated. For 2006, Republican candidates appear first.

All space is purchased; statements and photographs are submitted by the candidates or their designated agents. The information required by law—pertaining to occupation, occupational background, educational background and prior governmental experience—has been certified as true by each candidate.

Candidate statements are printed as submitted. The state does not correct punctuation, grammar, syntax errors or inaccurate information. The only changes made are attempts to correct spelling errors if the word as originally submitted is not in the dictionary.

Miscellaneous voting aids, including dropsite locations, a complete list of state candidates, and instructions for marking your ballot, checking your ballot and getting a replacement ballot, are also a part of the voters' pamphlet. In an effort not to duplicate the printing of information, some of these voting aids are not a part of the state voters' pamphlet, but instead are included in your county voters' pamphlet, if your county has produced a voters' pamphlet.

The voters' pamphlet has been compiled by the Secretary of State since 1903, when Oregon became one of the first states to provide for the printing and distribution of such a publication. One copy of the voters' pamphlet is mailed to every household in the state. Additional copies are available at the State Capitol, local post offices, courthouses and all county elections offices.

Random Alphabet

While the candidates' statements for candidates running for the same office appear in alphabetical order by their last name in this voters' pamphlet, you will notice that they appear in a different order on your ballot.

Oregon statute (ORS 254.155) requires the Secretary of State to complete a random order of the letters of the alphabet to determine the order in which the names of candidates appear on the ballot.

The alphabet for the 2006 Primary Election is:

M, Z, E, R, C, B, U, Y, Q, F, A, T, S, W, I, K, N, L, G, O, J, X, P, D, V, H

Website

Most of the information contained in this voters' pamphlet is also available in the Online Voters' Guide at www.sos.state.or.us/elections.

Español

Una versión en español de algunas partes de la Guía del Elector está a su disposición en el portal del Internet cuya dirección aparece arriba. Conscientes de que este material en línea podría no llegar adecuadamente a todos los electores que necesitan este servicio, se invita a toda persona a imprimir la versión en línea y circularla a aquellos electores que no tengan acceso a una computadora.

Important!

If your ballot is lost, destroyed, damaged or you make a mistake in marking your ballot, you may call your county elections office and request a replacement ballot. One will be mailed to you as long as you request it by May 11. After that, you may pick it up at the elections office. If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by 8pm election day, Tuesday, May 16, 2006.

Postmarks do not count!

County elections offices are open on election day from 7am to 8pm.

Duties and Responsibilities of Republican Precinct Committeepersons

Precinct committeemen and committeewomen are the grassroots representatives of the Republican Party in Oregon. A Precinct Committee Person (PCP) is the “face” of the party and an “advocate” for Republican political principles in their neighborhoods and communities. They are asked to attend regular meetings of their county Republican Central Committee in order to help set the party agenda in the county and to strategize how to spread the Republican message at the local level.

As a PCP you have a voice in selecting Republican Party leadership on the county, state and national levels. You may even seek a leadership position yourself. County leaders in turn help select the state party leaders who in turn participate on the Republican National Committee and elect the national party leaders. PCPs also select Oregon delegates and alternates to attend the Republican National Convention.

PCPs are often called on by Republican candidates to help with grassroots campaigning. You may be asked to “walk” your precinct with a candidate, introducing the candidate to friends and neighbors. You may also be asked to participate in making phone calls and distributing campaign materials in your precinct. You will become the Republican Party in your community.

PCPs should be able to convey these basic principles of the Republican philosophy:

- Republicans believe the strength of our nation lies with the individual and each person’s dignity, freedom, ability and responsibility must be honored.
- Republicans believe in equal rights, equal justice and equal opportunity for all, regardless of race, creed, sex, age or disability.
- Republicans believe that free enterprise and encouraging individual initiative has brought this nation opportunity, economic growth and prosperity.
- Republicans believe government must practice fiscal responsibility and allow individuals to keep more of what they earn.
- Republicans believe the proper role of government is to provide for the people only those critical functions that cannot be performed by individuals or private organizations, and that the best government is that which governs least.
- Republicans believe the most effective, responsible and responsive government is government closest to the people.
- Republicans believe Americans must retain the principles that have made us strong while developing new ideas to meet the challenges of changing times.
- Republicans believe Americans value and should preserve our national strength and pride while working to extend peace, freedom and human rights throughout the world.
- Republicans believe our party is the best vehicle for translating these ideals into positive and successful principles of government.

This fall, Oregon Republicans will work to retain and extend our majority in the House chamber and increase the Senate minority to majority status in the Oregon Legislature. We will also work to elect Republican representatives to the United States Congress and a Republican governor. PCPs will play key roles in bringing about these victories.

While Republican precinct persons are encouraged to support the candidates of their choice in the primary election, it is expected that PCP’s, as representatives of the party during the general election, will support all Republican candidates receiving the party’s nomination.

If you would like more information about the Oregon Republican Party, or would like to be more involved with the GOP in Oregon, please call our state party headquarters at (503) 587-9233. You may send e-mail to info@orgop.org or visit our website at www.orgop.org

Oregon can be great again, but it will take a new generation of leaders to fix the problems we face. The only certainty is that Oregon continues going in the wrong direction. Government has lost credibility with Oregonians, but it can be fixed.

As Governor, Jason Atkinson will control Oregon's illegal immigration problem, respecting people and taxpayers. As Governor, Jason Atkinson will eliminate Capital Gains taxes, use the power of the veto pen to force the education budget to be passed first, not last, and will finally accomplish what Oregonians want most: to be respected again.

Jason Atkinson knows the private sacrifice of public leadership and values the hopes of Oregonians who want to believe again.

Reasons For Seeking Election: I am seeking to be elected your next Governor in order to give you the tax relief to which you are entitled by law, to get you your civil and constitutionally guaranteed monetary rights under the Oregon and United States Constitutions, and to create more jobs in Oregon. I intend to implement your relief by both a 50% property tax reduction and a 90% capital gains tax reduction immediately upon election November 7. This relief occurs for you because of legal errors and ignoring of Oregon and United States Constitution requirements. I intend also to take Oregon properly into the international community by implementing a \$1 Oregon Income Tax Credit for you and all taxpayers, whenever any business headquartered and incorporated in Oregon has, establishes, or maintains an operating office or business enterprise in any foreign country or territory that maintains a full circulating gold and silver coinage among its people. It is my plan, moreover, for tax free interest on gold and silver savings accounts opened at Oregon chartered banks, and to provide at least a 30% discount to Oregon income taxpayers if they pay in the honest dollar — a gold coin. **Vote Leitch 4 Governor, \$\$\$ 4 You!**

Prior Governmental Experience: Police Officer/military:

‘A house divided against itself, the house cannot stand’ (Mark 3:25). Big money and special interests has controlled our elected officials for too long and in 2006 this must end. Government can’t meet the needs of all Oregonians if this continues.... We must;

Cap government spending at a 3% increase per year and prioritize our spending on public safety, education and the Oregon Health Plan.

Our neighborhoods are not safe. We must make our streets safe with increased State Police and expanded jail availability in every county.

Education is priority #1; Our children are our future and we must prepare them for the 21st. century (a foreign language must be required in every high school).

Health Care should be available to all Oregonians. We have the money to expand it for everyone if you consider it a priority!

I know there are other issues important to Oregonians. Roads, immigration and the environment but our streets must be safe, our children educated and health care available to all.

Family Values: Family values involves more than just abortion and gay marriage. Family values involves honesty and integrity. Caring about your neighbor and the poor (Matthew 22:36-40). Not judging others with whom you disagree (John, chpt.8). I support choice and gay marriage but I’m against this war and I want our soldiers home in 2006.

Our government belongs to the voters of Oregon and we can make it work for everyone! I ask for your vote.

I grew up in rural Coos County and raised my family in Eugene. In my 30 years of public service I have always stood for core Democratic values: pro-education, pro-environment, pro-choice, pro-senior, pro-worker, pro-civil rights, pro-Oregon!

www.petesorenson.com

Telling It Straight

Oregon's tax system hurts working families. The income tax once paid by major corporations now rests on the backs of individuals and small business owners.

Major corporations today pay only five percent of Oregon's income tax; two-thirds pay none.

Oregon's public schools are suffering. Continued funding cuts have turned Oregonians away from community colleges, and crowded more kids into fewer classrooms.

Oregon's health care system is broken. One out of five Oregonians have no access to health care.

www.petesorenson.com

I Am The Only Democratic Candidate For Governor Willing To Fight For Corporate Tax Reform To Fully Fund Public Education And Health Care

As Your Governor I Will

Ensure that major corporations, like you, pay their fair share in state income taxes.

End the corporate kicker, saving Oregon hundreds of millions of dollars each year.

Fight to protect Oregon's environment.

Build sustainable, family wage jobs.

Work to bring our National Guard home from Iraq.

With Your Vote We Can Do Extraordinary Things

I can win in November. New York polling firm, Zogby International, shows me outpolling Ron Saxton and Kevin Mannix by as many as 10 points.

Educational Background: BSEE with minor in Mathematics, Iowa State University; MSEE, Georgia Tech and PhD in Electrical Engineering, Purdue University

Prior Governmental Experience: Vice Chair, Law Enforcement Review Committee, Benton County

MARIO E. MAGAÑA **Education Comes First**

- As an educator for the last 18 years and father of school children Mario has become all too familiar with the strengths and weaknesses of our education system.
- The politicians in Salem have failed to create an adequate state-wide environment for learning in our schools.
- Mario will fight to stop the inadequate funding, insufficient recognition of teachers work and lack appropriate state-wide standards of learning. Good education at all levels is paramount to the success of Oregon.

MARIO E. MAGAÑA **Insuring Affordable Health Care**

- Access to affordable health care in our state is rapidly becoming impossible for many Oregonians.
- Mario recognizes Oregon should create a new health care system which will put emphasis on prevention not expensive trips to the Emergency Room.
- Mario believes our health care system has to be accessible, easily understood, and contain the best management practices to insure our health care dollars are spent on doctors not insurance companies.

MARIO E. MAGAÑA **Understands a Healthy Environment = Healthy Oregonians**

- Mario understands the laws protecting our air and water should NOT come from high-paid lobbyists but from sound scientific research.
- Mario believes Oregon can have a healthy timber industry that implements harvesting practices which have minimal environmental impact.

Dear Neighbor,

As a nation and a people, I am convinced that we have begun this new millennium with a less than ideal start in recent years. It is difficult to remember a time when government has seemed to care so little about the average citizen. Our priorities have been turned upside down as hundreds of billions of tax dollars are being diverted to military and homeland security spending. Federal, state, and local decisions are having a direct impact on the quality of life in Oregon communities.

- Our schools and educational system in Oregon are suffering, as is our younger generation;
- The "safety net" of social services is being cut from every angle;
- More Oregonians are losing medical insurance and access to affordable health care;
- Too many jobs are being "outsourced" overseas;
- Corporations are abandoning pension plan commitments to employees;
- Tax cuts are primarily benefiting only the wealthiest and most powerful citizens.

I Will Work To Restore the Checks and Balances in Our Government, While Increasing Fairness and Compassion in Our Communities!

There appears to be a concerted effort to bankrupt government at all levels by many of our current leaders, while the divide between the rich and the poor only grows larger. I fear we are eroding the very building blocks necessary for a healthy and vibrant democracy to function.

Occupation: Computer Professional, Small Farmer, and Entrepreneur.

Occupational Background: I have worked in a wide range of occupations allowing me to relate easily with people from

most walks of life. Since starting work as a dishwasher at the age of fourteen I have worked in shipping yards and restaurants; sales; real estate; construction; assembly lines; technical support; computer R&D and management.

Prior Governmental Experience: Precinct Committee Person, DPO Delegate

Reason for Running:

I am running for office because I believe I can make a difference. My broad experience has made me effective as a consensus builder and grass roots organizer. It is time we returned to Oregon's vision of a citizen legislature rather than a legislature run by professional politicians serving big business interests. We need a state government that serves local people and local businesses. As an entrepreneur and fourth generation Oregonian, I believe we can rekindle the pioneer spirit and innovation that made Oregon a national leader in decades past.

There are common sense solutions we can apply on a state and local level; to make health care more affordable; to restore the quality of public education; to protect our environment and resources; to build a strong, healthy economy; to make our communities safer; to secure our rights and freedoms; to restore fairness and trust in Government and enhance the quality of life in Oregon.

I have always been willing to put myself at risk for other people and stand up for what I believe to be right. Today, I am putting myself on the line to be an advocate for Oregonians and HD23, but I can't do it on my own. Please help me steward the common good and the American Dream by supporting my campaign.

Duties and Responsibilities of Democratic Precinct Committeepersons

A message from the Democratic Party Chair Jim Edmunson.

This is your government under Republican leadership:

- A tragic and costly war in Iraq premised on lies and deception
- Abandonment of tens of thousands of victims of Hurricane Katrina
- Senior White House official indicted for lying about outing a covert CIA agent
- Secret, illegal programs to spy on American citizens, blatantly violating the Constitution
- Environmental laws written by lobbyist for industry polluters
- Your tax dollars subsidizing corporations that outsource American jobs
- Tax policy to make billionaires richer and produce the large budget deficit in history
- A culture of corruption so pervasive that indictments extend from Republicans in Congress to the Oregon House

Enough is enough. America and Oregon can do better.

Some argue that to fix government we need to create a new political party. Some say Oregon needs "open primaries" to elect more "moderates" or that imposing artificial "non-partisanship" labels will fix broken government. Their frustration is legitimate, but the solutions are misdirected and diversions.

The simple fact is if you want to change Congress and to break the Republican logjam in Salem, the best, most effective thing you can do is support the Democratic Party. If you are as fed up as most citizens with the incompetence, cronyism and backwards policies of an extreme Republican Party, then you can make a difference in the Democratic Party.

Get involved. Become a Democratic Precinct Committeeperson (PCP) today.

When Howard Dean was elected to head the Democratic National Committee, his first words were, "This is not my chairmanship. It is yours." It was a simple but profound statement. No longer would our party be held hostage by decisions made by an aristocracy of consultants in Washington. Governor Dean has kept his word. Now the call is to us. It is time to demonstrate, as we did in 2004, the awesome grassroots strength of Oregon Democrats. I want you to know the door is open.

What is a "PCP" and what do they do?

Representative democracy only works if people like you – those who vote and are actually reading the voter's pamphlet! – get informed, involved and active. Democracy is not a spectator sport. As a PCP, you are the foundation of the party and you have the power to effect change by:

- Registering voters and increasing voter turn-out in your neighborhood
- Helping elect county, state and national party leaders
- Collecting email addresses from interested voters
- Letting the party and elected officials know about hot local issues
- Making sure the Democratic Party represents you

How do I become a PCP?

First, you must be registered as a Democrat. If you filed a statement of candidacy with your county elections office by the deadline, your name will appear on the May 16th Primary Election. If not, you may also write in your name on the ballot. To be eligible to win, you must receive a minimum of three votes. This can be accomplished often in your own household, but you are best served by reaching out to as many of your neighbors as possible.

Don't be intimidated. Be empowered.

The job of precinct committeeperson can be large or small, depending on your own initiative, but if you accept the title, be prepared to perform some basic periodic activities like:

- Help distribute materials in your neighborhood
- Organize or participate in a phone bank
- Recruit new volunteers
- Attend local trainings or meetings

If you care and work hard, you can rise fast. Most elected leaders, even some Oregon governors started as PCPs!

June 2-4, Democratic State Convention in Eugene

PCPs will come together for trainings, to meet candidates, and to help develop the party platform. Together, America can and will do better! To learn more contact:

Creating Jobs – and Opportunity

As Labor Commissioner, I’m proud of my “**Buy Oregon First!**” Jobs Tour. My goal is to retain current jobs and help local business expand.

The best way to continue learning about the needs of Oregon’s workers and employers is to get into their shoes and work alongside them. As Commissioner I’ve learned to balance the needs of employers to understand the law and to have it enforced fairly.

Oregon’s construction industry is growing and I want to ensure a trained workforce that has access to healthcare and retirement. That’s why I have worked to increase Apprenticeship and Training Programs by 11%.

We can get better results for a whole lot less money when we effectively teach kids the basics early, reading and math facts. Children are smarter than ever before. However, schools are dumbed down and teachers are not well prepared. Students are not being taught how to read well, early and quickly. As evidenced in our math standards, students are not required to memorize basic number facts in the early grades and are encouraged to use calculators. **Lacking basic reading and math skills, students fall further and further behind the longer they attend our schools.** The lack of basic skills may be a significant factor in the 28.9% increase in the number of special education students served since 1992-1993 *Oregon Department of Education Annual Report 2003-2004*. **I will work to implement research-proven, challenging curriculum and improved teacher training.** I will use incentives, accreditation, certification, Oregon Rules and Legislation to right this ship. **The course we are on is one of exploding costs and student failure.**

Dear Oregonians:

Thank you for electing me to the Oregon Supreme Court in
2000. Since that time, I have worked to produce timely and
well-reasoned decisions based solely on case precedent and
principles of law.

In November 2005, my colleagues on the Supreme Court
elected me the 37th Chief Justice of the State of Oregon. I am
honored and deeply humbled by their confidence in choosing
me to lead the state's judicial branch of government.

As Chief Justice, I will prudently manage our judicial
resources. I will seek to ensure that judges at all levels treat all
litigants fairly and issue timely decisions. I will work to enhance
the quality and administration of justice at every court level in
accordance with the changing needs of our society.

I believe that courts are the cornerstone of our democratic
government and the guardians of our state and federal consti-
tutions. To perform our role properly as a co-equal branch of
government, the courts must have the trust and confidence of
citizens. I will continue to work hard to earn and maintain that
trust.

Simply put, I believe in judicial accountability and judicial
performance. I am guided by those principles every day.

It has been a profound honor to serve Oregonians.

Sincerely,

Paul De Muniz

General Information

Vote by Mail

What is Vote by Mail?

Vote by mail is a method of conducting elections. Instead of using traditional polling places where voters go to cast ballots on election day, a ballot is automatically mailed to each registered voter. The ballot is then voted and returned to the county elections official to be counted.

As a voter, what do I have to do?

Your ballot packet will automatically be mailed to you between April 28 and May 2, 2006. Inside the packet you will find the ballot, a secrecy envelope and a return envelope. Once you vote the ballot, place it in the secrecy envelope and seal it in the pre-addressed return envelope. Be sure you sign the return envelope on the appropriate line. After that just return the ballot either by mail or at a designated dropsite.

What if I am uncomfortable voting my ballot at home?

Privacy booths are available for you to cast your ballot. There are privacy booths at your county elections office and there may be others at dropsite locations elsewhere in your county. For further information, call your county elections official.

What if my ballot doesn't come?

If you are registered to vote and have not received your ballot within a week after they are mailed, call your county elections office. They will check that your voter registration is current. If it is, they will mail you a replacement ballot.

What if I have moved and have not updated my registration?

If you were registered to vote by April 25 but now have a different address, call your county elections office for instructions on how to update your registration and receive a ballot.

Do I have to return my ballot by mail?

You have the choice of mailing your ballot or returning it to any county elections office or any designated dropsite in the state. The times and locations of dropsites are available at your county elections office.

How much postage is required to mail the ballot back?

Your voted ballot can usually be returned using a single 39¢ stamp. In those instances where additional postage is necessary, it will be clearly indicated on the ballot materials.

When must the voted ballot be returned?

The voted ballot must be received in any county elections office or designated dropsite by 8pm on election night. **Postmarks do not count!**

How do I know if my ballot is received?

You can call your county elections office and ask if they received your ballot. A record is kept showing each voter whose ballot has been returned.

Can anyone find out how I've voted once I mail my ballot?

No. All ballots are separated from the return envelope before the ballots are inspected. This process ensures confidentiality.

What if I forget to sign the return envelope?

Generally, your elections office will either return it to you for signing or they will contact you, if possible, to come to the elections office to sign it. If the return envelope does not get signed before 8pm on May 16, the ballot will not be counted.

Can the public watch the election process?

All steps of the process are open to observation by the public. Contact your county elections official to make arrangements.

When will election results be known?

Ballot counting cannot begin until election day. Initial results are released at 8pm election night and will continue to be updated through election night until all ballots have been counted.

Important!

If your ballot is lost, destroyed, damaged or you make a mistake in marking your ballot, you may call your county elections office and request a replacement ballot. One will be mailed to you as long as you request it by May 11. After that, you may pick it up at the elections office. If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by 8pm election day, Tuesday, May 16, 2006.

Postmarks do not count!

County elections offices are open on election day from 7am to 8pm.

New this Year: Only One Nominating Process

The Oregon Legislative Assembly has adopted a new law that states an elector may participate in one, and only one, nominating process for each partisan public office to be filled at the General Election. Partisan public offices to be filled at the 2006 General Election include:

- US Representative
- Governor
- State Senator
- State Representative
- any county or city offices designated as partisan

Participation in a nominating process includes **any** of the following:

- **returning a Democratic or Republican ballot** at the 2006 Primary Election, regardless of how the ballot is voted
- **participating in a minor political party's candidate nominating process**, which is established in the minor political party's by-laws and is usually by a nominating convention
- **signing the minutes of an assembly of electors** to nominate a nonaffiliated candidate (a candidate not affiliated with any political party) to the General Election
- **signing a certificate of nomination by individual electors** to nominate a nonaffiliated candidate (a candidate not affiliated with any political party) to the General Election

example

Elector A is registered to vote as a member of a major political party and is issued and **returns a partisan ballot** at the 2006 Primary Election. Elector A votes for most, but not all, of the partisan races listed.

In July 2006, Elector A signs a petition to nominate a nonaffiliated candidate for State Representative District 25 to the 2006 General Election. Elector A's signature **is not** a valid signature and must be disqualified. Elector A is deemed to have already participated in a nominating process for **all** partisan offices for the 2006 General Election by returning a partisan ballot for the 2006 Primary Election.
