OFFICE OF THE SECRETARY OF STATE

PHIL KEISLING
SECRETARY OF STATEELECTIONS DIVISION
COLLEEN SEALOCK
DIRECTOR
141 STATE CAPITOL
SALEM, OREGON 97310-0722
ELECTIONS — (503) 986-1518

MEMORANDUM

TO: County Elections Officials
FROM: Colleen Sealock (cc)
DATE: October 16, 1998
SUBJECT: Directive For Not Tallying BM61
VIA Fax 3 pages

URGENT

Attached is the directive we are issuing pursuant to yesterday's Marion County Circuit decision. The directive sets forth mandatory procedures. If you have any questions, call us, as we must obey the Court's order to the fullest degree.

We will use the surveys you filled out earlier this week as your formal plan of action, unless you have made a change in your response. For those counties who were not sure whether you could reprogram your computer, please complete a new survey immediately with your plan, as we must accurately account for all 36 counties. (A blank survey is also attached.)

We recognize that this latest change of events presents you with one more significant challenge to this already difficult election. But upper most in your actions must be the integrity of the entire election. This court decision re-emphasizes the absolute necessity to properly test and certify your automated equipment (if using automated vote tally machines) in a thorough and timely manner. Do not jeopardize that.

We are also working on a question/answer flyer that you may distribute to your staff and poll workers when electors ask questions regarding the status of BM61. We hope to fax that to you on Monday, October 19.

Again, if you have any questions, hesitations or doubts about the actions you need to take call us. We continue to applaud your outstanding efforts in delivering to all Oregonians an election with full integrity even in these difficult times.

Thank you.

61 CHANGES MINIMUM SENTENCES FOR LISTED CRIMES, INCLUDING CERTAIN REPEAT OFFENSES

RESULT OF "YES" VOTE: "Yes" vote changes minimum sentences for listed crimes, including certain repeat offenses.

RESULT OF "NO" VOTE: "No" vote retains present sentencing statutes and guidelines for listed crimes, including repeat offenses.

SUMMARY: Establishes minimum sentences for crimes listed as "major crimes." Provides one to three year proportionally increased sentences for major crimes, aggravated murder or murder if person has one to three prior convictions for major crime within past 10 years. Prior juvenile court adjudications involving major crimes apply to increase sentence. Treats prior conviction for driving under influence of intoxicants as major crime if current conviction is for criminally negligent homicide using vehicle. Prohibits temporary leave or other reduction in additional prison time imposed under measure.

ESTIMATE OF FINANCIAL IMPACT: The mandatory and presumptive sentences imposed under this measure are estimated to require 4,300 new prison beds by 2006, with direct state expenditures for prison construction and start-up of \$470 million by 2006.

Direct state expenditures for prison operating costs and debt service are estimated at \$21 million in 1999-2000 and \$40 million in 2000-2001, growing to \$125 million in 2005-2006. Community corrections payments from the state to counties for probation and post-prison supervision are estimated to be reduced by \$800,000 in 1999-2000, \$1.9 million in 2000-2001, and \$1.4 million in 2005-2006.

Under this measure, direct state expenditures for court operations are estimated at \$100,000 in 1998-1999 and \$175,000 in each of the next two years. State expenditures for indigent defense are estimated at \$350,000 in 1998-1999 and \$900,000 in each of the next two years.

Major factors affecting this estimate include:

- Plea bargaining practices of prosecuting attorneys;
- Prior criminal history of offenders;
- Sentencing practices of judges;
- Numbers of arrests; and
- Type of prison bed, minimum or medium security.
