ADAIR RURAL FIRE PROTECTION DISTRICT

CAPTION: SEVEN YEAR LEVY FOR PURCHASE OF A NEW FIRE ENGINE.

Measure: 02-02

Shall the district levy a seven year Serial Levy of \$110,000. beginning July 1, 1993?

The levy will be used to purchase a new Triple Combination Pumper. This pumper will replace a 1952 military surplus truck which has become costly to maintain.

This pumper will be the first completely new fire engine that the District has purchased.

This will put two (2) rated engines in the substation on Soap Creek and two (2) rated engines in the main fire station in Adair Village. Firefighters will be able to ride inside an enclosed crew cab in accordance with the National Fire Protection Association recommendation for firefighter safety. It will enable the firefighters to be appropriately dressed in breathing apparatus and ready to fight fire as soon as they arrive at a scene. This engine will carry 1,000 gallons of water. It will cost the taxpayer approximately \$.446 per \$1,000. of assessed valuation per year.

Pursuant to Section 11b, Article XI, Oregon Constitution, and implementation legislation, the proposed tax measure will have no effect on any other units of local government.
