
BENTON COUNTY VOTERS' PAMPHLET

THIS IS A MAIL BALLOT ELECTION
YOUR MAIL BALLOT WILL ARRIVE BETWEEN MARCH 10 and MARCH 16

BENTON COUNTY
O • R • E • G • O • N

DISTRICT ELECTION
MARCH 28, 1995

Please RECYCLE this pamphlet with your newspapers

BOARD OF COMMISSIONERS

180 NW 5th Street
Corvallis, OR 97330-4777
(503) 757-6800
FAX (503) 757-6893

Dear Fellow Benton County Voter:

On **March 28, 1995**, a General Election will be held at which you will have an opportunity to exercise your rights and privileges to elect candidates and decide district measures.

The Benton County Board of Commissioners has created the Local Voters' Pamphlet in order to provide information about local candidates and measures, and to assure that all voters are well informed about the choices they will face when they go to the polls on **March 28, 1995**.

The Local Voters' Pamphlet includes a sample ballot, instructions on voting, texts of measures, required information about the candidates. Also, several candidates have taken the option of paying a fee to include additional information about themselves, their goals in running for office, and their candidacy.

It is our hope that the information provided in the Benton County Local Voters' Pamphlet will assist you in making wise and informed choices for our community.

Sincerely,

Pam Folts
Benton County
Commissioner

Kent Daniels, Chair
Benton County
Commissioner

John Dilworth
Benton County
Commissioner

VOTE
MARCH 28, 1995

VOTER REGISTRATION INFORMATION

To be eligible to vote in the March 28, 1995 election, a completed voter registration card must be on file with the Benton County Department of Records and Elections by not later than 5:00 p.m. March 7, 1995.

YOU MAY REGISTER TO VOTE IF:

1. You are a citizen of the United States.
2. You will be 18 years of age or older on election day.
3. You are a resident of Oregon.

YOU MUST RE-REGISTER TO VOTE IF:

1. Your residence or mailing address changes.
2. Your name changes.
3. You wish to change party affiliation.

IMPORTANT NOTE: IF YOU HAVE MOVED OR YOUR NAME HAS CHANGED AND YOU HAVE NOT YET RE-REGISTERED, YOU MAY STILL BE ABLE TO DO SO. CONTACT THE BENTON COUNTY ELECTIONS OFFICE, 757-6756 FOR FURTHER INFORMATION.

For information about registration and voting, contact:

Benton County Elections Office
 120 NW 4th St.
 Corvallis, OR 97330
 757-6756

YOUR REGISTRATION IS IMPORTANT • YOUR VOTE IS IMPORTANT

VOTING INSTRUCTIONS

VOTING BY MAIL

Step 1: Your ballot should arrive in the mail between March 10-16.
If you have not received a ballot by March 16, call the Elections Office at 757-6756.

Step 2: Vote by connecting the Head and Tail of the Arrow pointing to the Candidate of your Choice
Example:

George Washington	Vote for One	
Susan B. Anthony		
Abraham Lincoln		

Step 3: To Vote for a Candidate whose name does not appear on the ballot,
Write name on "Write In" line and Complete Arrow pointing to that line.

Example:
 Write In Millard Fillmore 

Step 4: Vote on Measures by completing the Arrow pointing to either the
 "YES"  
 or
 "NO"  

If you make an error on your ballot, spoil it in any way or lose it, you may obtain a replacement ballot by contacting the Benton County Elections Office at 757-6756.

Step 5: When you have completed Voting, fold Ballot along the pre-scored folds and place Ballot in Secrecy Envelope.

Step 6: Seal the Secrecy Envelope. Place inside the Return Envelope (buff).

Step 7: Sign back of Return Envelope. Remember:

Your Ballot will NOT BE COUNTED if the envelope is UNSIGNED.

Step 8: Place appropriate first class postage on the Return Envelope and mail it in time to arrive at the Benton County Elections Office by 8:00 p.m. March 28, 1995.

BENTON COUNTY, OREGON
SAMPLE BALLOT
 March 28, 1995 District Election

This sample ballot is a composite of all measures and offices appearing on the ballots in Benton County. Not all voters are eligible to vote on every measure or office listed on this Sample Ballot.

ALSEA SCHOOL DISTRICT NO. 7J
 SUBMITTED TO THE VOTERS BY THE DISTRICT BOARD

02-08 Vote "Yes" or "No"

GENERAL OBLIGATION BOND AUTHORIZATION

QUESTION: Shall the District be authorized to contract general obligation bonded indebtedness in an amount not to exceed \$2,915,000? If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of section 11b, Article XI of the Oregon Constitution. **YES**

NO

STATEMENT: This measure, if approved, would authorize the District to issue general obligation bonds in a principal amount not to exceed \$2,915,000. Bond proceeds would be used to construct and equip a new gymnasium, lockers, media center, special education and science areas and support and office spaces to construct, remodel, equip and upgrade classrooms, gymnasium, music/stage areas and kitchen and storage areas; to make parking improvements and do sitework, and to pay all costs incidental thereto. The bonds would mature in not more than 26 years.

MONROE UNION HIGH SCHOOL
 SUBMITTED TO THE VOTERS BY THE DISTRICT BOARD

02-09 Vote "Yes" or "No"

ONE YEAR LEVY FOR MONROE UNION HIGH SCHOOL EMERGENCY REPAIRS

QUESTION: Shall Monroe Union High School levy \$44,000 for emergency repairs to the high school old gym and science room? **YES**

NO

SUMMARY: The southeast wall of the old gym and science room are separating from the rest of the building and present a safety risk to the students. The cost of repair is \$44,000 or 38.62 cents per thousand assessed value. This is a one year levy only.

CITY OF ALBANY
 SUBMITTED TO THE VOTERS BY THE CITY COUNCIL

22-20 Vote "Yes" or "No"

AUTHORIZES ISSUANCE OF BONDS FOR FIRE SUBSTATIONS

QUESTION: "Shall the city of Albany issue general obligation bonds not to exceed \$3.7 million for fire substations?" If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of Section 11b, Article XI of the Oregon Constitution. **YES**

NO

SUMMARY: Proceeds shall be used as follows: Fire substations: \$3,700,000. North Albany area; East Albany area. Bonds shall not exceed \$3.7 million. Estimated yearly tax needed to pay back the bonds over 10 years is \$515,000, but may be as high as \$525,000. Pursuant to section 11b, Article XI, Oregon Constitution, and implementing legislation, the proposed tax measure would not reduce property tax collections for other units of local government.

22-21 Vote "Yes" or "No"

AUTHORIZES ISSUANCE OF BONDS FOR STREET RECONSTRUCTION PROJECTS

QUESTION: "Shall the city of Albany issue general obligation bonds not to exceed \$10.8 million for street reconstruction projects?" If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of Section 11b, Article XI of the Oregon Constitution. **YES**

NO

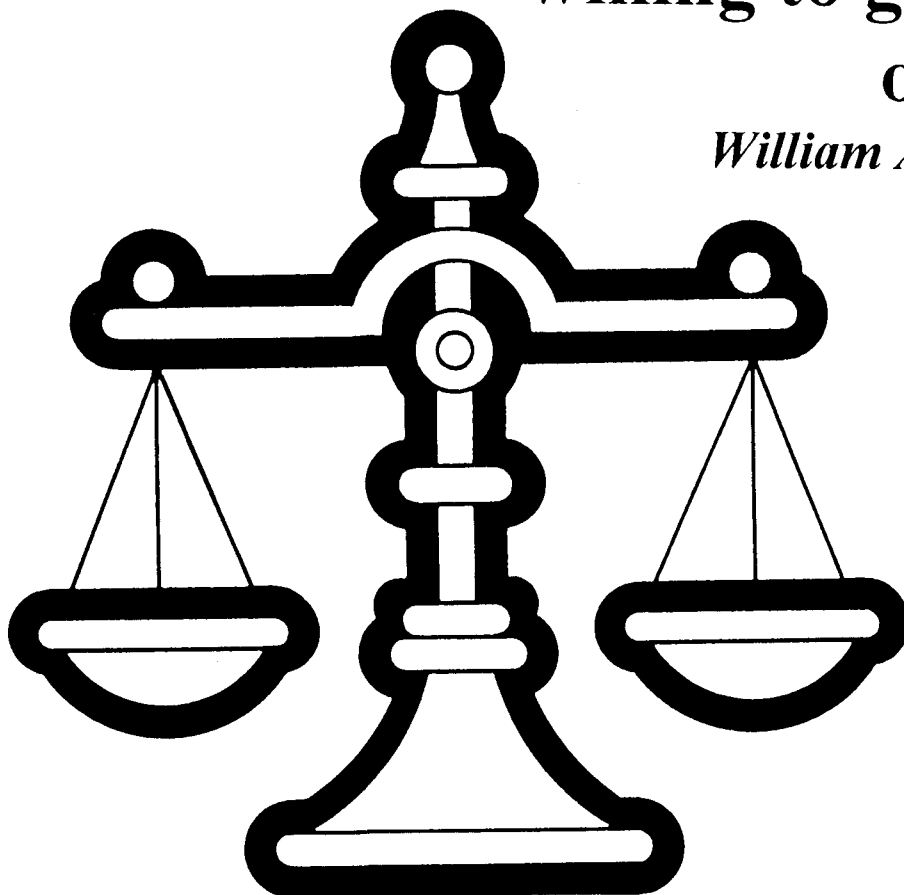

SUMMARY: Proceeds shall be used as follows:

- Street reconstruction projects: \$10,800,000
- 34th Avenue - Marion to Waverly
- Elm Street - 5th Avenue to Queen
- North Albany Road - Highway 20 to the railroad tracks
- Santiam/Main Street/Salem Avenue area.

Bonds shall not exceed \$10.8 million. Estimated yearly tax needed to pay back the bonds over 10 years is \$1.48 million but may be as high as \$1.5 million. Pursuant to Section 11b, Article XI, Oregon Constitution, and implementing legislation, the proposed tax measure would not reduce property tax collections for other units of local government.

&
ARGUMENTS**

MEASURE NO. 02-08

ALSEA DISTRICT NO. 7-J

Ballot Title:

**02-08
ALSEA SCHOOL DISTRICT NO. 7J
GENERAL OBLIGATION BOND
AUTHORIZATION**

QUESTION:

Shall the District be authorized to contract general obligation bonded indebtedness in an amount not to exceed \$2,915,000? If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of section 11b, Article XI of the Oregon Constitution.

STATEMENT:

This measure, if approved, would authorize the District to issue general obligation bonds in a principal amount not to exceed \$2,915,000. Bond proceeds would be used to construct and equip a new gymnasium, lockers, media center, special education and science areas and support and office spaces to construct, remodel, equip and upgrade classrooms, gymnasium, music/stage areas and kitchen and storage areas; to make parking improvements and do sitework, and to pay all costs incidental thereto. The bonds would mature in not more than 26 years.

ARGUMENT IN FAVOR:

**WHY THE SCHOOL BOARD IS PROPOSING
THIS PROJECT**

The school board is aware of many deficiencies in the present building. With this bond issue the school board hopes to correct them. Among the conditions that need to be corrected are the following:

- some teachers are using carts as desks and homerooms
- some areas of the school overheat, others require students to wear coats
- some basketball players start practices at 6:30 a.m. and others don't get home from practice until 10:00 p.m.
- anyone confined to a wheelchair can't use the restrooms or the library
- classrooms don't have enough electrical outlets
- attendance at basketball games sometimes exceeds the rated capacity
- lack of ventilation and storage for chemicals are hazards in the science room
- not enough room for books, equipment and computers in the library
- half the kitchen is classroom space
- staff has no way of knowing who is entering the building
- poor acoustics for school productions
- no outdoor access to restrooms
- one modular classroom is inadequate for large classes, the other must be replaced

The bond issue covers the cost of providing:

- a new gym
- a new library
- a new science room
- new offices
- replacing wornout and inadequate electrical, heating and plumbing systems to meet state standards
- additional parking
- general remodeling inside the school
- provide for handicap access

Alsea School District has had no major construction for over 40 years. The building now is in need of remodeling and new construction. The proposed plan will have a maximum cost of \$2,915,000. This will result in an estimated average tax rate of less than \$3 per \$1,000 of assessed value for patrons.

MEASURE NO. 02-09

Monroe Union High School

Ballot Title:

02-09
ONE YEAR LEVY FOR MONROE UNION HIGH SCHOOL EMERGENCY REPAIRS

QUESTION:
 Shall Monroe Union High School levy \$44,000 for emergency repairs to the high school old gym and science room?

SUMMARY:
 The south-east wall of the old gym and science room are separating from the rest of the building and present a safety risk to the students. The cost of repair is \$44,000 or 38.62 cents per thousand assessed value. This is a one year only levy.

This information supplied by Del Coursey, Superintendent

ARGUMENT IN FAVOR:

This levy would be used to repair the old gym and science room. The masonry wall is pulling away from and tipping out from the wood frame wall at the stage, resulting in a large crack from floor to ceiling. This condition has been under careful watch for years, and continues to decline. The engineering firm who has inspected the structure believes "that if we have any sort of major tremor nearby, such as the earthquake in Molalla or Klamath Falls, the wall will collapse." It is obvious this condition poses a major safety risk to our students. The cost of repair is \$44,000 or 38.62 CENTS per thousand assessed value. This is a one year only levy.

Submitted by
 Del Coursey, Supt.

**DAVID
SULLIVAN**

OCCUPATION:
Professor

**OCCUPATIONAL
BACKGROUND:**
Associate Professor,
Dept. of Accounting,
Finance, and Information
Management, OSU.
Author of many college-
level computer text-
books.
Formerly, manufactur-
ing accountant and
division finance man-
ager, Tektronix.

**EDUCATIONAL
BACKGROUND:**
B.B.A., Accounting,
University of Oregon;

Masters and Ph.D., Systems Science, Carnegie-Mellon University.

COMMUNITY EXPERIENCE: President, Highland View Middle School Parent Advisory Committee/Family Booster Club. Primary architect, network manager, and parent volunteer behind the Highland View T.E.C.H. (Totally Excellent Computers for Highland) project.

Corvallis public schools have a proud tradition of educational excellence, but for the last six years their budget has shrunk every year. Ballot Measure 5 (the property tax limitation) makes it likely that budgets will keep shrinking.

Despite these obstacles, we need to preserve — and improve — our schools' quality. Our children deserve a solid education, preparing them for a competitive world.

We need Dave Sullivan's experience and skill to meet these challenges. He has:

- A clear understanding of what makes our schools work. Last year over sixty classrooms of kids talked with "Dr. Dave" about computing, and he conducted a two-week "Summer Computing Camp" for Corvallis teachers.
- A commitment to high-quality basic education with parental involvement.
- A strong desire to form partnerships with parents, the city, public library, university community, and business. Smaller budgets mean our public schools need everyone's support.
- The finance and accounting experience to ensure each dollar is spent wisely.
- A willingness to reach out to the community. Last spring Dave conducted "Family Computing Nights" at OSU (attended by about 800 Corvallis participants).

Candidate's pledge: "As parent of two daughters (4th and 8th grades), I will do my best to make sure all our children have a safe and supportive environment for study, and a challenging up-to-date curriculum that respects classical standards of what it means to be well educated."
— Dave Sullivan

Corvallis School District School Board - Position 3

**CYREL
GABLE**

OCCUPATION:
Counselor, private
practice

**OCCUPATIONAL
BACKGROUND:**
YWCA Program Ad-
ministrator;
School and County
Mental Health Center
Social Worker;
private professional
practice

**EDUCATIONAL
BACKGROUND:**
B.A. in psychology
(1973);
Masters in Social Work
(1975)

PRIOR GOVERNMENTAL EXPERIENCE: none

SCHOOL EXPERIENCE:
509J Parent Leadership Council;
Parent Representative, Harding Site Council;
Family Involvement/Parent Education Committee;
Classroom volunteer

CYREL GABLE supports comprehensive education for the 21st century. Our children need critical thinking and technological skills to compete in a global economy and adapt to the rapidly changing modern world

CYREL GABLE insists on thorough evaluation and accountability. We need to closely monitor achievement and progress, to keep the programs that work and discard those that don't. Support of our dedicated teachers is essential as we proceed with reform.

CYREL GABLE believes reform must result in a rigorous, high-quality education. In our efforts to move forward, we cannot leave fundamental skills behind.

CYREL GABLE speaks out for parents. As a parent of two young children, she's committed to giving parents more opportunities for involvement in their children's education, and more voice in decision-making.

CYREL GABLE supports the efforts of Yes for Kids! Her team-building experience and ability to work well with diverse groups will help our School Board build community-wide partnerships that put our children's interests first.

"I bring to the Board skills in fiscal management and organization. But that is not enough. The Board's most important task is to guide the course of our kids' education. This can only succeed if the Board takes the lead in creating common ground and building partnerships with parents and the rest of the community. My expertise in facilitating cooperation can help all of us negotiate the process of change in the crucial, controversial years ahead."

This information furnished by Cyrel Gabel and is printed exactly as submitted.

- School volunteer, Hoover Elementary and Crescent Valley H.S.

Dear Voter,

You're reading this because you care about education, which means we have something in common. For the last two years, I have been working in Corvallis and Salem to promote stable funding and quality education.

Changes in property tax and equalization laws have stripped our district to a bare bones budget, while the school reform law demands too rapid a change. In the last 5 years, we have cut 88 teachers and 30% of administration, while enrollment continues to grow. Our whole system is strained by doing too much with too little.

We must rebuild credibility and a positive spirit in our district with these goals:

- **Slow down educational reform.** Do what we can afford with our top budget priority being classroom instruction. Before changes are made, be sure evaluation tools are in place to check student progress.
- **Improve communication, especially with parents.** They deserve direct and complete information about what is happening to their children's education and why.
- **Create a community education coalition.** Bring education, local government, business, human resources and parents together at one table. With cooperative planning, we can pursue local funding opportunities which will add resources to our schools.

You can count on me to work for these goals and to seek out your concerns. Our children are only children once.

Sincerely,
Connie Bartlett

**CONNIE BARTLETT FOR SCHOOL BOARD!
BRINGING PEOPLE TOGETHER FOR EDUCATION.**

eration and heating
and ventilation systems

**EDUCATIONAL
BACKGROUND:**
Bethesda Chevy Chase
High School in Mary-
land
University of Cincinnati
Additional classes at
OSU and Linn Benton

PRIOR GOVERNMENTAL EXPERIENCE: None

Education is key to our children's future and in turn, is also vital to our generation's future. I feel the community of Kings Valley and the town of Philomath have been very good to myself and my family for the past 15 years. I thought it was time for me to express my support for the Kings Valley Area by running for the School Board. I have a wealth of experience which I feel would be valuable to the community. I have had some experience in Bargaining and other Labor Relations. I have also served on several committees of both Faculty and Staff at OSU, where I am employed. Other experience includes helping in classrooms, coaching various sports teams, and all around involvement with community events.

I feel very fortunate to live in the Philomath School District during these times of budget and funding predicaments. Philomath has done an excellent job of maintaining opportunities and services while expanding where they can.

I feel my maintenance background would help facilitate the overall input of the board. The Kings Valley and Philomath areas have the right outlook and desire to help the children of the communities succeed in education and their future.

Thank You,
Paul Kevin Collins

ment: Metropolitan State
College: Denver, CO
Diploma in Nursing:
Calvin College &
Blodgett Mem. Hosp.

Sch. of Nrsng: Grand Rapids, MI

PRIOR GOVERNMENTAL EXPERIENCE:

No prior elected or appointed positions

The current Corvallis Rural Fire Protection Board has been too ready to risk the life and safety of the district's 12,000 residents by declining to pay a reasonable price for professional fire and emergency medical services and by recklessly offering to exclude the need for fire response to emergent medical calls.

The Corvallis Fire Department is the closest and best equipped agency to provide emergency medical services and fire protection to the rural district. Furthermore, they are willing to provide this service at a lower cost than what most neighboring districts pay for fire services, even those with volunteer agencies.

The prudent choice of action is to assure fire and rescue services to rural Corvallis by entering into a contractual relationship with the City of Corvallis. I am running for the Corvallis Rural Fire Protection Board because I want the continuance of excellent fire and emergency medical services, at a reasonable expense, for those of us living in the Corvallis rural district. As an RN with over 20 years of trauma and emergency experience, including 10 years as a flight nurse, I believe I can provide valuable input regarding essential components of an emergency rescue operation as well as the cost of conducting such a business.

This information furnished by Mavis Tuten and is printed exactly as submitted.

Corvallis RFPD Director - Position 4

CALVIN O.L. HENRY

MA Degree University
of Washington 1962
French Language
PHD Degree University
of Oregon 1970
Curriculum Dev and
Spanish

PRIOR GOVERNMENTAL EXPERIENCE:
None

Residents in the surrounding Corvallis rural area need the same profes-
sional fire and emergency medical care as the residents in the city.
As a member of the Corvallis Rural Fire Protection Board, I will work
to provide the best service to our rural community at the most reasonable
cost. I believe it to be in our best interest to receive this protection
from the Corvallis Fire Department, since they can deliver the most
complete service in the shortest time possible. Our District should not
only receive fire protection for our tax dollars, but also for rescue and
emergency medical care. I will also work to reverse the current Fire
Board's attempt to reduce these critical services.

This information furnished by Robert Kiekel and is printed exactly as
submitted.
