| 02-1 | SPECIAL ONE YEAR LEVY FOR OPERATION OF THE DISTRICT | |
| QUESTION: | Shall Palestine Rural Fire Protection District levy \$25,431.00 outside the tax base for operating purposes for 1991-92? | |
| SUMMARY: | <p>The measure asks the voters to approve or disapprove a one-year levy to provide funds for the operation of the District. The 1991-92 fiscal year budget requirements of \$69,656.00 include \$4,530.00 for administration, \$45,971.00 for a fire protection contract with the City of Albany and \$19,155.00 for an unappropriated ending fund balance. There has been a significant increase in the fire protection contract with the City of Albany that was not foreseen at the time the tax base was approved in May, 1980. Therefore, it is necessary to request an additional levy to finance the operation of the District for the 1991-92 fiscal year.</p> | |

CITY OF ALBANY

22-03 ANNEXATION OF NORTH ALBANY INTO THE CITY OF ALBANY

QUESTION: Should North Albany be annexed to the city of Albany?

SUMMARY: The land to be annexed is the Benton County portion of the Albany Urban Growth Boundary outside of the City. It is bounded by Highway 20, and by Scenic Drive and includes a number of neighborhoods served by North Albany Road, Valley View Drive, Crocker Lane, Gibson Hill Road and Spring Hill Drive.

The State will force the City to annex the health hazard portion of this land. Many people outside the health hazard area have asked to be annexed as well.

| NO | 12 |

Annexation will not cause sewers to be built outside the health hazard boundary unless asked for by most of the people in the area to be served. Likewise, other improvements such as sidewalks and street lights will not be required to serve homes and lots now in place.

If the land is annexed water rates will change to City rates.
