Final Ballot Title The following is the final ballot title of the measure to be submitted to district voters. The ballot title notice was published and the ballot title challenge process is complete.

Caption 10 words which reasonably identifies the subject of the measure.

Five-year Operating Projects Local Option Tax.

Question 20 words which plainly phrases the chief purpose of the measure.

Shall the district impose \$0.40 per \$1000 of assessed value tax for operations for five years beginning 2026-2027? This measure may cause property taxes to increase more than three percent.

Summary 175 words which concisely and impartially summarizes the measure and its major effect.

Passage of this local option tax for operating purposes will allow the Brownly-Marshall Road District to provide road maintenance and repair at approximately the same level of service as previous years. If the measure does not pass, then maintenance and repair services will likely be reduced, primarily by reducing or eliminating dust control.

The district currently has a permanent tax rate limit of \$0.9301 per \$1000 of assessed value and a local option tax of \$0.20 per \$1000 of assessed value which expires this fiscal year. This measure would impose a new local option levy \$0.40/\$1000 of assessed value from 2026-2027 through the 2030-2031 fiscal year.

At the maximum rate, the levy will raise approximately \$4,772 in 2026-2027, \$4,915 in 2027-2028, \$5,063 in 2028-2029, \$5,214 in 2029-2030, and \$5,371 in 2030-2031 (\$25,335 total). The estimated tax cost for this measure is an ESTIMATE ONLY based on the best information available from the county assessor at the time of the estimate and may reflect the impact of early payment discounts, compression and the collection rate.

Explanatory Statement 500 words that impartially explains the measure and its effect.
