Petition for Recall of

 Provide the name of the public officer and the position that they currently hold.

Name of Public Officer
Sami Al-Abdrabbuh

Title of Public Officer
Director, Corvallis 509J School Board, Pos 1

Statement

 Provide the reasons for demanding recall in 200 words or less. Any factual information provided must be true.

We, the undersigned residents of the Corvallis School District, call for the recall of Sami Al-Abdrabbuh due to a pattern of approving major district decisions without adequate planning, transparency, or demonstrated benefit to students.

As a board member and then-chair, Al-Abdrabbuh supported detracking middle school math, describing the change as personal to him. The policy was implemented despite documented concerns from families about reduced academic challenge, classroom feasibility, and student confidence. The district offered no clear performance benchmarks at implementation, and years later math proficiency remains low—around 22%—raising serious questions about whether the policy has achieved its goals.

Al-Abdrabbuh also supported the 2018 Capital Improvement Bond, a nearly \$200 million package approved without sufficient consideration of declining enrollment. The district is now closing schools that were recently modernized. During board deliberations, Al-Abdrabbuh insisted on bringing the closure vote forward again after it had been initially rejected, highlighting his central role in advancing the decision. During this same period of financial strain and program cuts, he supported a substantial raise for the superintendent.

Together, these decisions reflect ongoing governance failures that have disrupted students, families, and staff. New representation is needed to restore accountability and public trust.

Chief Petitioner Information

 The chief petitioner must remain throughout the petition process or the petition is void.
