Petition for Recall of

Provide the name of the public officer and the position that they currently hold.

Name of Public Officer

Chris Hawkins

Title of Public Officer

Director, Corvallis 509J School Board, Pos 2

Statement

Provide the reasons for demanding recall in 200 words or less. Any factual information provided must be true.

We, the undersigned residents of the Corvallis School District, call for the recall of Chris Hawkins due to decisions that conflict with the values she championed throughout her long career supporting vulnerable students. For decades, Hawkins worked directly with students experiencing homelessness, trauma, and instability—students who rely most on consistent routines, stable school environments, and well-resourced classrooms. Yet her recent actions on the board have not reflected those priorities.

Hawkins supported a substantial raise for the superintendent during a period of financial strain, staffing shortages, and program cuts. Families expected her to advocate for directing limited resources toward classrooms and student support, not administrative compensation. Her vote contradicted the student-centered principles she once promoted.

She also supported the district's school-closure process, despite widespread confusion, shifting explanations, and the clear harm closures pose to the very students she spent her career serving. Students facing instability are disproportionately affected by school transitions, yet Hawkins did not demand stronger planning, transparency, or community engagement.

For these reasons, we believe new leadership is necessary to restore trust and ensure district decisions align with the needs of students, families, and educators.
