 Provide the name of the public officer and the position that they currently hold.

Name of Public Officer

Terese Jones

Title of Public Officer

Director, Corvallis 509J School Board, Pos 3

## Statement

 Provide the reasons for demanding recall in 200 words or less. Any factual information provided must be true.

We, the undersigned residents of the Corvallis School District, call for the recall of Terese Jones due to a long-standing pattern of poor foresight and inadequate long-term planning. As a senior member of the board during the development and approval of the 2018 Capital Improvement Bond, Jones supported a nearly \$200 million facilities package that failed to account for clear demographic trends and the district's future capacity needs.

Even in 2018, enrollment projections showed flattening and eventual decline—data widely available to school districts across Oregon. Yet the bond was crafted and approved without any meaningful consideration of whether the district would be able to sustain all of its school buildings in the coming decade. Instead of aligning major capital investments with realistic enrollment forecasts, Jones supported a plan that expanded and modernized facilities only for the district to turn around a few years later and declare that multiple schools must close.

Families now face closures, boundary upheavals, and program disruptions—direct consequences of a bond plan that lacked long-term vision. For these reasons, we believe new leadership is necessary to restore accountability and ensure future decisions reflect the district's true needs.

## Chief Petitioner Information
