Name of Public Officer

Shauna Tominey

Title of Public Officer

Director, Corvallis 509J School Board, Pos 5

Statement

 Provide the reasons for demanding recall in 200 words or less. Any factual information provided must be true.

We, the undersigned residents of the Corvallis School District, call for the recall of Shauna Tominey due to a pattern of indecisive leadership and a weak voice during two of the most consequential decisions facing our schools: detracking math and the school-closure process. At a time when the district needed clarity and conviction, Tominey repeatedly hesitated or shifted positions instead of advocating firmly for students and families.

The district's detracking of math eliminated accelerated pathways and reshaped academic progression for thousands of students. Families and educators asked for data, transparency, and a clear plan. Instead, the process moved forward without meaningful engagement or strong board oversight. Tominey did not use her position to demand clarity, evidence, or community input, leaving students and teachers to navigate a major instructional shift without adequate support.

During the school-closure process, Tominey first abstained on the closure vote—avoiding a clear stance at a critical moment—then later voted in favor of closure in a second vote. This sequence reflected uncertainty rather than leadership, deepening community frustration during an already destabilizing process.

For these reasons, we believe new leadership is necessary to restore accountability and ensure district decisions reflect the priorities of Corvallis families.

Chief Petitioner Information

 The chief petitioner must remain throughout the petition process or the petition is void.
