Petition for Recall of

 Provide the name of the public officer and the position that they currently hold.

Name of Public Officer	Title of Public Officer
Judah Largent	Director, Corvallis 509J School Board, Pos 6

Statement

 Provide the reasons for demanding recall in 200 words or less. Any factual information provided must be true.

We, the undersigned residents of the Corvallis School District, call for the recall of School Board Member Judah Largent due to decisions that have weakened public trust and failed to reflect the priorities of students, families, and educators.

The Osborn Aquatic Center closure moved forward without a clear plan for how the district would maintain student access to essential aquatic programs. Families, swim teams, and youth programs were left without timelines, alternatives, or a roadmap for restoring this critical community resource. Instead of demanding transparency, detailed planning, and meaningful engagement, Largent allowed the process to advance with uncertainty and inadequate communication.

Equally concerning was Largent's support for a substantial raise for the superintendent during a period of financial strain, staffing shortages, and program cuts. While classrooms face resource shortages and families are asked to accept reductions, he backed a compensation increase that appeared disconnected from district needs and community expectations.

These decisions reflect a pattern of leadership that lacks transparency, accountability, and alignment with the values of Corvallis residents. For these reasons, we believe new leadership is necessary to restore trust and ensure district decisions prioritize students and families.

Chief Petitioner Information

 The chief petitioner must remain throughout the petition process or the petition is void.
