Amend Corvallis Charter to Change City Council, Wards, and Terms

Question 20 words which plainly phrases the chief purpose of the measure.

Shall City amend charter to change number of councilors and wards, length and staggering of terms, and impose term limits?

Summary 175 words which concisely and impartially summarizes the measure and its major effect.

This measure would amend the City's existing home rule charter. The Oregon Constitution gives city voters the right to adopt and amend charters. Charters grant legal authority to cities, describe a city's form of government, and assign duties to city officials.

If approved, this measure would amend sections 8, 9, and 10 of the current charter to change the number of city councilors and wards from nine to six, change councilor terms of office from two to four years with staggered elections, impose term limits of three consecutive terms for councilors and the mayor, and make other related changes. No other sections of the Charter would be changed by this measure.

This measure was referred to the voters by the City Council based on the recommendation of the City's Charter Review Task Force.
